

Sponsorship for a Community Tradition Coralville 4thFest 2021

4thFest holds a special meaning as part of our sesquicentennial countdown. Each year, from Coralville's 140th birthday in 2013 to Coralville's 150th birthday in 2023, 4thFest commemorates a meaningful part of Coralville's history by celebrating an important community landmark or historical event.

From Coralville's incorporation in 1873 to our 1876 schoolhouse, from the first 4thFest parade in 1983 to today, Coralville has been a special place for many generations. With your support, 4thFest 2021 will carry on a 4th of July community tradition enjoyed by all ages!
