

Memorial and Celebration Opportunities

Coralville Parks and Recreation has several opportunities for memorial or celebration projects to commemorate a loved one or to celebrate a special achievement. From park benches and theater seats to trees or youth scholarships, we can tailor a gift to the interests of your family, organization or loved one.

Some popular ideas include:

Park Bench *Park Bench program is currently suspended due to difficulty getting benches from manufacturers in a timely manner.*

Park benches are placed in City parks, at City facilities, and along trail corridors. Each bench has a place for an inscription. The City has selected a standard park bench style for most locations but is open to discussion for a special area. \$900

Theater Seat

A gift in celebration of the performing arts in Coralville can be made through a theater seat gift at the Coralville Center for the Performing Arts. Seat sponsors are recognized on a recognition plaque in the main and upper lobbies.

Main Floor Seat	\$750	Balcony	\$500
-----------------	-------	---------	-------

Memorial Trees

Commemoration through a tree gift provides shade and habitat for many years. Memorial trees are recognized with an engraved inscription on a stone at the base of the tree. Trees can be planted in parks, open spaces, and at the golf course. Tree price ranges for type and size of tree.

\$500-750

Scholarship Funds

Every child deserves the opportunity to learn how to swim, play softball or baseball, kick a soccer ball with teammates, or attend a craft class. Scholarships are used to provide funding for children to attend classes that teach lifelong leisure skills. These gifts of recreation provide peace of mind to a family that their child will be able to participate even when the family may be struggling financially. Recognition is given yearly in our Leisure Line and at the Coralville Recreation Center lobby area for those who contribute to making a difference through recreation scholarships.

\$25 and greater

Site Specific Gifts

Larger gifts such as bleachers, shelters, trail kiosks, or other opportunities may be available. These gifts may have naming opportunities associated with the project. Please contact the Director of Parks and Recreation to visit about site specific gifts.
