A site plan showing the location of the fence in relation to the building and property lines is required to be provided with the application. Site plans can be created @ <https://gis.johnsoncountyiowa.gov/PIV/>

The Applicant is required to contact: **Iowa One Call (1-800-292-8989)** prior to digging.

By executing this permit application, the Applicant certifies the following: The Applicant has examined the property abstract and/or final plat on file with the Johnson County Recorder's Office and the proposed location of the fence is not prohibited by any restrictions or easements of record. The Applicant further acknowledges the Applicant has located all property lines and the fence will not encroach into easements, adjoining property or traffic visibility zones. A fence may not exceed 4' in height in yards between a building and a street and may not exceed 8' in height elsewhere. Fences must be a minimum 3' from a sidewalk unless separated by an easement. In those instances, the easement of record establishes the minimum setback. Residents should check with neighborhood covenants for any additional requirements.
