

## Return to Play Rules / Guidelines

- **Player / Coach Safety**

- Pre-game meetings will be limited to 1 coach per team and the umpires of the game. No players or assistant coaches allowed to join.
- Teams should spread out so that you can keep 6 feet apart. Expand the dugout to use space beyond.
- Players should use their own personal equipment (gloves, bats, helmets) as much as possible.
- Dugout / bench will be limited to essential team personnel. There should be a maximum of three coaches in the dugout at any one time.
  - No bat boys or girls, no score keepers, etc.
- Players will be allowed to wear personal protective items, such as masks and gloves, as long as these items do not compromise the safety of any and all participants.
- Players must bring their own water bottles or coolers and must have their names on it. No team water coolers or other shared items will be allowed.
- Teams will be responsible to clean and sanitize their dugout before and after each game. This includes removing trash and wiping down all hard surfaces such as benches and bat racks. Supplies are not provided.
- The offensive team is required to provide all softballs used in their half inning in order to limit the contact with the ball to players of the same team. The umpire will not handle any balls but will be responsible for verifying that all balls are USA softball approved. When a ball goes out of play, it needs to be returned to the offensive team and should be sanitized before going back into play.
- After each game, instead of handshakes, each team shall line up on their side of the field and tip their caps to the opposing team in order to minimize player contact.
- Scoreboards and controllers will not be permitted.
- Award ceremonies will not take place.
- Umpires will maintain their normal positions on the field. They will have the option of wearing personal protective items as well.

- **Facility Safety**

- Spectator attendance is limited to household members of the players on the team.
- Spectators are required to bring their own seating to the event and will need to practice social distancing. Spectators should also maintain social distancing of six feet between families and spread out around the field and in the common areas.
- All spectators, coaches and players are encouraged to bring hand sanitizer and antibacterial wipes for disinfecting hands and other equipment regularly.
- The use of sunflower seeds, gum and anything else that is spit from a mouth to the ground is prohibited. This goes for coaches, players and spectators.
- All persons in the facilities must adhere to the guidelines from the CDC, state and local authorities regarding travel restrictions and stay-at-home orders.
- Any person who is experiencing symptoms of sickness will be prohibited from entering the facilities.
- We highly encourage all spectators to wear personal protective items.
- We ask all teams and spectators not to congregate at anytime. This includes before and after games inside the facility as well in the parking lots.

- Any lines for restrooms, concession stands, or other services are also discouraged. If there must be a line, a distance of six feet apart shall be in effect at all times.
- Restrooms will be cleaned and sanitized regularly. Be sure to wash hands after using the restrooms.
