

## **Coralville Parks and Recreation Kickball Return to Play**

This guidance was formed from various recommendations from Centers for Disease Control & Prevention and Iowa Department of Public Health as a resource for mitigation efforts to help ensure player, spectator and staff safety during voluntary summer sports activities.

### **Player & Team Safety:**

1. No one should attend or participate in league play if they currently have symptoms or have been in contact with anyone with a confirmed COVID-19 diagnosis in the last 14 days.
2. No more than 17 participants should be on the field at a time (10 defense, 2 base coach, 3 baserunners, batter, on-deck batter). Participants not on the field should social distance in and outside of the dugouts.
3. Drinking fountains will not be in service. Players must bring their own water bottles. Do not use team water coolers.
4. No handshakes, hugs, high fives, fist or elbow bumps, or any other deliberate contact.
5. No spitting. Spitting will result in automatic removal from the field.
6. Frequency of cleaning at the facility has been increased however there is no guarantee that surfaces are sanitized. This includes benches, bleachers, picnic tables and playground equipment.
7. Players must provide their own hand sanitizer and antibacterial wipes for disinfecting hands and equipment regularly during games.
8. Players and spectators are asked to maintain social distancing in the facility parking lot before and after games. We encourage teams to play their games and exit the facility.
9. All players and spectators should accept personal responsibility for public health guidelines
10. Masks for players and spectators are strongly recommended.

### **Coaches and Umpires**

1. Wearing masks is strongly recommended.
2. Game ball is provided by CPRD.
3. All program volunteers should use hand sanitizer before and after handling equipment or wash their hands.

**\*\*Disclaimer – these safety measures may be subject to change**
